

## MODERN TOWER CHIMES

*Christmas* (Played by Organist from Electric Keyboard) *come*

Inventive genius has made the operation of Modern Tower Chimes as simple and easy as picking out a tune with one finger on the piano. The tone—round, full and velvety—is fully controlled by electrically operated striking actions and dampers which latter prevent all tone intermingling. Cost is moderate. Concerted action will enable US to have Chimes ringing by NEXT Christmas.

1. If X be in our hearts and homes others will quickly find it out.

2. X will become an attraction in our home.

3. X in our home is an instructor, a teacher.

"He preached the Word unto them."

4. In the home X becomes an inspiration to extraordinary effort. **"They uncovered the roof".**

**II. X in our home is a great blessing to those outside.**

1. He gives them healing. **"One sick of the palsy".**

2. He gives them pardon. **"Thy sins be forgiven thee."**

**III. Christ desires to dwell in our homes.**

**IV. The cause of Christ depends largely upon our Xn homes.**

The real test of our Xty is in our homes.
